Attached, for your information, are copies of the Governor's Coordination and Special Services Plan (GCSSP) and the Title III State Plan for the period July 1, 1998, through June 30, 2000.

The GCSSP and Title III State Plan are prepared and submitted to the Department of Labor biennially, in accordance with Sections 121 and 311 of the Job Training Partnership Act (JTPA). The GCSSP contains the Governor's annual statement of goals and objectives for job training and placement programs within California which establishes the criteria for coordinating employment and training activities in the state, describes the planned use of California's JTPA Title II funds for the next two program years, and identifies program experiences statewide during the two preceding years. The Title III State Plan contains information specific to California's Dislocated Worker program.

If you have any questions regarding the GCSSP or Title III State Plan, please contact your program manager.
